

2026/27 Biodiversity Incentive Scheme Grant - Revegetation Stream Application

Form Preview

Welcome

* indicates a required field

About this grant

The City of Casey's Biodiversity Incentive Scheme is designed to support community conservation projects. This grant is open to private landowners and volunteer public land managers who wish to improve the extent and quality of native vegetation in Casey.

Important:

This application is for the **Revegetation Stream** of the grant which allows the community to request support for their project in the form of tubestock. If you wish to apply for monetary support for your project, please [click here](#) and fill in the form for the BIS grant main stream.

Guidelines

Please read the [Biodiversity Incentive Scheme Grant Guidelines](#) before completing this form

Application support

If you have questions or encounter difficulties using the Smartygrants program, the Sustainability & Environment team can assist you. Contact the Environment Projects Officer - Simonette Charles on 9709 9428 if you require support.

Privacy Statement

Your personal information will be handled in accordance with the Privacy and Data Protection Act 2014 and used for the specified purpose. You can access your personal information by contacting Council's Privacy Officer on 9705 5200.

Collection Statement

City of Casey (Council) is collecting your personal information through this Grant Application Form to assess your application for grant funding. Personal information will only be collected if you give your consent at the time we collect the information from you unless an exception in the Privacy Act applies or is required by law. The personal information requested on this form is being collected by Council for the purposes of confirming applicant eligibility, for grant assessment panels and for grant allocation to successful applicants. The application including personal information collected may be disclosed to other Council departments for the purposes of assessment of this and other applications or requests for support to Council from this applicant as part of the applicant's funding record. General information (excluding personal information) may be used for publication such as the applicant's name, project details and funded amount on the City of Casey website and in Council reports such as evaluation reports and social and economic impact assessments to inform program improvements and policy decisions. If you wish to gain access to the information provided or amend any of the personal information you have supplied to Council, please contact Council via telephone on 9705 5200. Council will not be liable for the copy or misuse of the information contained in this feedback form.

I understand and agree to Council's collection statement *

Property map

You will need to create and attach a map of your property outlining your proposed revegetation project.

On your map please show the property boundary and the boundary of your planting project area. Include the location of any existing native vegetation,

Draw your map using the symbols below, scan and attach it using the Upload button below.

Legend

Please use the following symbols in your map:

----- existing fence and property boundary

RR remnant / existing habitat

+ + revegetation proposed

___ planting project boundary

Please attach a clear and legible map of your revegetation project following the above instructions. *

Attach a file:

The aerial can be created from google maps, hand drawn, or digitally drawn - should be to scale

Stakes and Guards

City of Casey will provide the following stakes and guards for planting projects.

- [Fluted Tree guards](#)
- [Hardwood stakes](#)

If you wish to use different stakes or guards - please let us know below and we will contact you to discuss options.

Will you be applying for stakes and guards for your project? *

- Yes
 No

Orders for stakes and guards cannot exceed the number of plants in your order.

If you already have stakes or guards from a previous revegetation project and plan to reuse these - please make a note below alongside your request for extra stakes and guards.

E.g. Applying for 300 plants

200 guards (reusing 100 from last year's project)

210 stakes (reusing 90 from last year's project. Ten were damaged and need to be replaced)

Please let us know how many guards you would like to apply for. *
